Submission 1 (8th July): **Research**

Documentation of background research into website and e-commerce platform building and initial ideation on the features and components of the online store. A more detailed breakdown of how and when desired features of the solution are to be designed is highly recommended.

Submission through posting on #lemonanza-main chat (on slack).

Provide your team's name (e.g., Lemonanza Team 2 or something else funky you come up with!)

Submission 2 (11th July): **Basic solution + draft design**

Website building to have started, to get early exposure of the technical aspect of the project. Conceptualisation of what the final application would look like, with documentation of possible areas in which there may be difficulties in creating/operating. Prepare any questions that need to be discussed during the meeting with the Project Leader.

Submission through posting on #lemonanza-main chat (on slack).

Provide your team's name (e.g., Lemonanza Team 2 or something else funky you come up with!)

Submission 3 (17th July): **Final draft of solution + justification**

Finalised version of a functioning webstore with a reasonable user interface. Justification of the design of the webstore and discussion on the limitations of the webstore.

Present final product to Project Mentors. Resolve any issues there are in regards to the application with mentors.

Submission 4 (19th July): **Presentation Slides + Functioning Website/Applications**

A “Mock Boardroom Pitch” to be held with a panel of RSE staff in order to practice presenting and receive feedback prior to Boardroom Pitches. Your final presentation slides, any infographics you create and your team logos are due **prior to your pitch time**.

Your final presentation slides, solutions architecture diagram, any infographics you create and your team logos are due **prior to your pitch time**.

Team Logos are to have two versions, and both are to be uploaded as PNG:

- One design with square dimensions
- One design with widescreen (16:9) PowerPoint slide dimensions

Your final presentation slides, any infographics you create and your team logos are due prior to your pitch time.

Google Drive links for submissions:

Please include your Team and Team number in all documents you put up.

Media Submission (July 20th):

1. A summary of your proposed project solution in three dot points
2. Photographs / screenshots of any part of your project solution that you think are interesting / proud of.

3. Short summary (max 150 words) on your team's journey through SLP. How did you come to agree on the current solution? Which member played which role? How might you attack the problem differently next time?

Submission through direct messaging Richard Zhang on Slack. Only the Team Leader needs to make this submission.
